CHERRY GROVE

Scotch Shorthorns

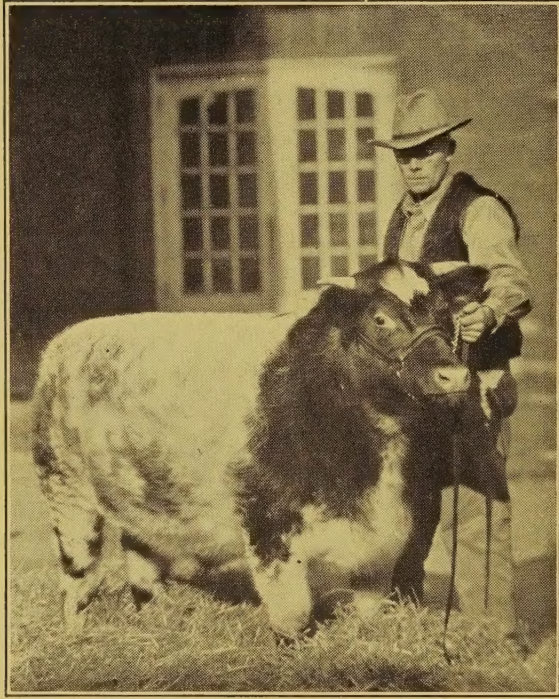

PUBLIC SALE

WEDNESDAY,
OCT. 26, 1938

IN TOWN
Williamsville, Sangamon County Ill.

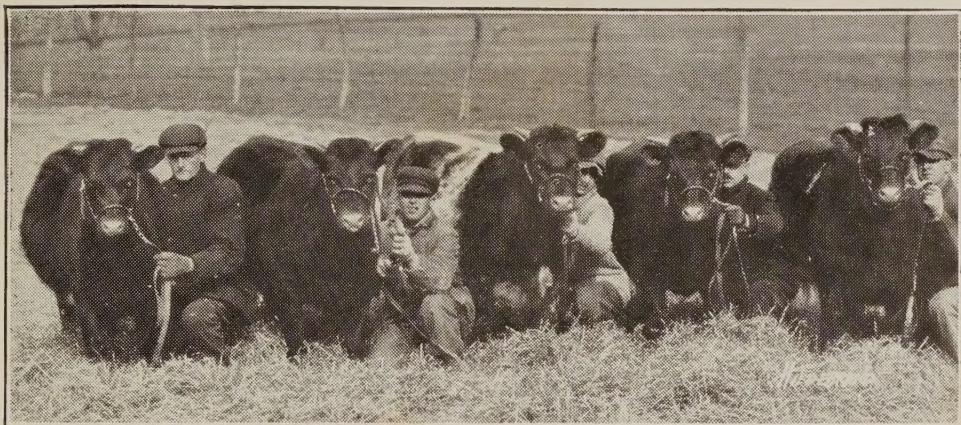

LORD DALE a 1700 pound yearling. First prize at leading State Fairs.

ASHBOURNE ORANGE

Grand Champion steer over all breeds at
the 1937 International Live Stock
Exposition.

Cherry Grove Steers for many years won the Grand Championships at all the leading shows of America and Shorthorns can continue to win over all breeds if properly bred and fed.

A Bunch of Heifers All Bred and Owned on the Farm.

FOREWORD

Our herd was founded by the late John R. Jones, sixty-two years ago and during all that time Champion bulls have been used. We were among the first to endorse Scotch cattle in the Central West. Our three generations of the Jones family have either showed cattle or sold cattle that have won the very highest honors at World Fairs, State Fairs, American Fat Stock Shows and the International, some years making unprecedented records.

We owned Imp. Cup Bearer, one of the first Scotch bulls to be King of the American show yards and used his best son, Scotch Cup followed by Imp. Lord Banff, first prize bull of America. Then came his sons followed by the Choice Goods bred bull, Masterpiece, then the Avondale bull, Maxwalton Jupiter sire of our calf herd that swept the State Fairs, followed by Lord Dale, first prize bull at State Fairs, and his sons. Then came Cumberland Master, a wonderful son of the International Champion Oakdale Stanmore and now Haylands Victor, son of the twice International Grand Champion Divide Sensation.

We made importations ourselves directly from the best herds of Scotland retaining the best females and best bulls.

This is the first time we have permitted the very best of our young cow herd to be sold giving the public the cream of our herd. We have bred them along one line so that our herd is very uniform. We hope these cattle will prove profitable and a pleasure to the buyers as they have to us. They will be only in ordinary farm condition.

M. E. JONES & SONS, Owners,
Williamsville, Ill.

Guarantee Approved by American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls sold as separate lots are guaranteed breeders, provided they are not allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers are guaranteed breeders, except that calves sold by side of the dam as one lot and heifers under 16 months of age at the time of sale are not guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows and heifers bred for more than three months, according to the service date furnished at the time of sale, but not proving in calf, must be reported to the seller within three months after date of sale; all others served within three months prior to the date of sale, not settled or proving to be in calf must be reported within six months. Females over 16 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. Any animal not proving up to the foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for a retrial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, the purchaser shall be given the option of having the purchase price refunded without interest, or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply upon any animal later substituted.
5. All animals are sold subject to a 60 day retest for tuberculosis, or to comply with the laws regulating tuberculosis of the State or Country into which they may be shipped. Animals shall be segregated from the buyer's herd until the retest is made except the herd be a Federal Accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State Veterinarian, or veterinarian deputized by the State Veterinarian, who is co-operating with Federal Veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction, except that the purchaser shall agree to accept a substitute. Blood test will be made when it is required by the destination State or Country.
6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale and without trouble to the purchaser, but at his risk of loss or injury after being bid off.
7. TERMS: Cash, except other arrangements are made before the sale. All settlements to be made immediately after the close of the sale. The above guarantee and terms shall constitute a contract between the seller and purchaser of each lot.
8. This guarantee constitutes an agreement between the buyer and the seller. The Sale Manager or the clerk of the sale assume no liability, legal or otherwise.

A pedigree is a record of known quantities. A glance at this catalog will reveal the already well-known fact that M. E. Jones & Sons, during their half century of Shorthorn cattle breeding operations, have pursued the policy of infusing into their herd the blood of the most popular sires of the time. Study these pedigrees. Note how these animals represent a blending of the blood of Whitehall Sultan, Avondale, Cumberland's Last, Browndale, Oakdale Stanmore and Divide Sensation, along with the blood of numerous famous imported sires. Note also that many of the animals in this sale are the result of from five to ten generations of breeding on this one farm. Good cattlemen everywhere will recognize in this sale offering an opportunity to buy blood that has never failed to work improvement.—Hal Longley of The Shorthorn World.

The twice International grand champion, Divide Sensation. All of the younger cattle in this sale were sired by his good breeding son, Haylands Victor.

The Cup Bearer, Lord Banff, Choice Goods, White Hall Sultan, Avondale, Cumberland, Browndale blood mixed with cattle of our own importation have produced our ideal kind of Shorthorns which are the best farm cattle today.

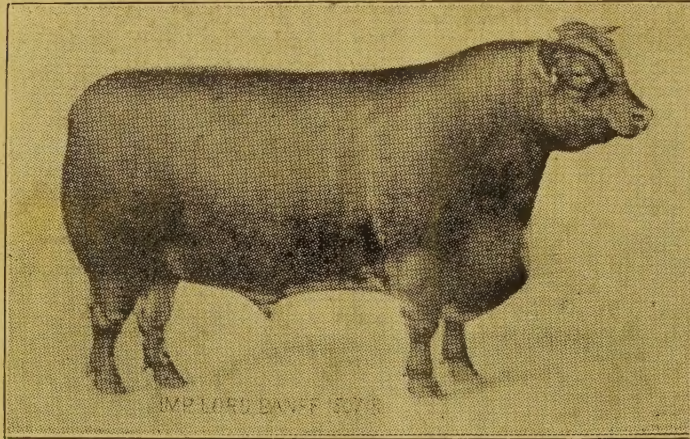

First prize calf herd at leading state fairs of their year all bred and exhibited from Cherry Grove herd including Lord Dale. A Cherry Lil and Victoria heifer, all three of the same breeding as represented in this catalog.

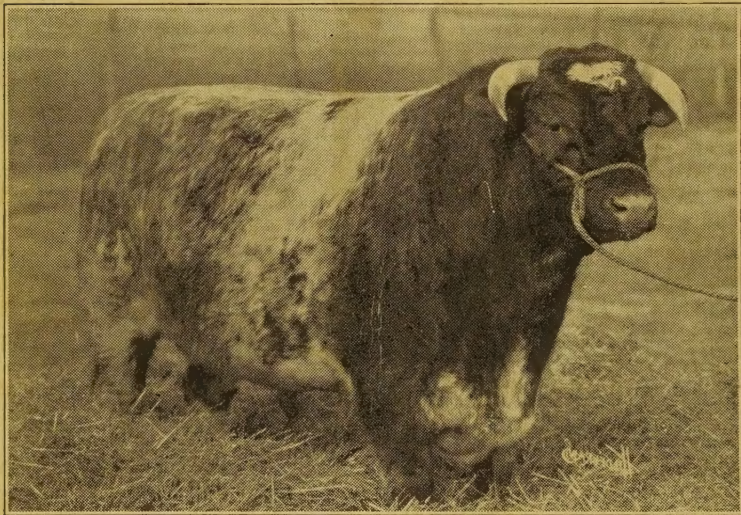

Now is time to raise cattle to consume the roughage of the farm as only cattle can do. Our cows have proved they can suckle two calves, allowing half the cows to raise the calves and the others to milk.

It has been said even a moderate slope 3.7 per cent planted to corn for 50 years will remove the 7 inches of top soil which is the fertile ground, while with corn, wheat, clover rotation this top layer would last 368 years and could be grazed by cattle and pay good income thus conserving the soil.

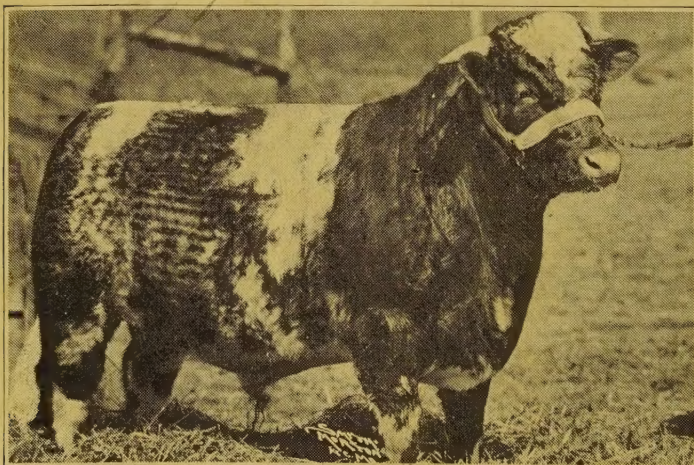

These Bulls and their sons built our Shorthorns

LORD BANFF—1st Prize at all leading shows of America.

MAXWALTON JUPITER—Among Avondale's best breeding sons; sired many winners.

CUMBERLAND MASTER—As a yearling, best son of Oakdale Stanmore, only bull ever first prize at Chicago for four years.
Sire of 15 high class young cows in this sale.
